

# UTAH DAUGHTERS

Volume 11 Number 2

*"Every Member Counts"*

Spring 2013

Dear Utah Daughters,

All Daughters are invited to attend our annual USSDAR State Conference to be held this spring April 25-27, 2013, at the Radisson Hotel, 215 West South Temple, Salt Lake City, Utah. Our state treasurer, Deborah Hoyt is taking reservations. (See registration form)

This year we are honored to have Mrs. Merry Ann T. Wright, President General, as our guest for Thursday and Friday events. Those daughters who are members of the Heritage Club will be invited to a special tea Thursday afternoon with Mrs. Wright. Later that evening we will have a formal dinner sponsored by the Utah State Officer's Club. All Utah daughters and guests are invited to the dinner at

6:15pm, Thursday evening, April 25, 2013. Please see information in the newsletter about this event.

Friday morning's business session will feature an informal "question and answer" period with Mrs. Wright. You will have an opportunity to ask her questions about DAR in person. Also, she will be our honored speaker at Friday's luncheon, noon, April 26, 2013. Please plan to come and spend the day with our President General.

The theme for this year's conference is "HONOR OUR AMERICAN HEROES". My State Regent's Project to date has involved two areas of effort: (1) to raise monies for a PIANO for the Fisher House, and (2) for individual chapters to adopt active military men and women who have been or who are presently on active duty. Your response to both fields of endeavor has been wonderful and gratifying to me. The State Regent's project will be accomplished in the first year of the Nelson Administration. Thank you to all for your support.

Plans are to present our gift of the piano to the Fisher House and to honor our American Heroes at Friday evening's banquet. Speaker for the festivities is General Robert Oaks. You can read more about him in the newsletter.

Saturday morning events will highlight a wonderful Memorial Service and Student Awards Luncheon. Daughters enjoy meeting our winning students and hearing their reports. Please read the newsletter for registration information.

In Circles of DAR Friendship,  
Shirley Nelson, Utah State Regent

**Save These Dates!**

**April 26-27, 2013, Utah State  
Conference with President General

**June 26-30, 2013, Continental  
Congress, Washington, D.C.**

**August 17, 2013, Utah Summer  
Workshop, Salt Lake County Complex**

**CALL TO CONFERENCE:**

**Utah State Conference, April 26-27**

The Utah State Conference will be held Friday, April 26 & Saturday, April 27 at the Radisson Hotel in Salt Lake City. Schedule and registration information are in this newsletter. All Daughters are welcome to attend all sessions of the Utah State Conference.

The President General, NSDAR, Merry Ann T. Wright, will be our guest, and will speak at the Friday luncheon. You will not want to miss hearing from our President General! The Friday evening banquet is open to guests as well; we will honor our military heroes, past and present. The featured speaker will be Gen. Robert C. Oaks (ret.). Formal dress (with gloves) is suggested, but not required, for the Friday evening banquet (you know you love an excuse to dress up!)

We will remember deceased Daughters during the memorial service on Saturday morning (family members of those ladies are welcome to attend). The State Conference will conclude with our student awards luncheon, where our speaker will be our own Vice President General and Honorary State Regent, Cindy McCoid Toone.

We will again hold a silent auction of baskets donated by our chapters, as well as other goods and services. Proceeds will be used to fulfill our commitment to restoration of the DAR Library lay lights, and to support our State Regent's project to provide a piano for the Fisher House in Salt Lake City. Join us for a time of sharing what Utah Daughters have done in the past year, and be challenged to expand the impact of DAR in the coming year.

State Officers, Chapter Regents, and State Committee Chairmen, please bring three printed copies of your report, one each for: the State Regent, State Recording Secretary, and your three ring binder. Please limit your oral report to 3 minutes.

**Chapter Credentials:** Chapters should report their delegates to the State Regent and the State Recording Secretary as soon as possible. The following are automatically delegates: chapter regents, chapter directors, state officers, and honorary state regents. Each chapter is entitled to elect additional delegates. Please see the credentials form previously distributed for additional information (the form is also available on the state website).

**Page Information:** Do you want to connect and have some fun with other Junior members and Pages? Would you like to learn how the Chapters and the State Society implement our mission to promote Historic Preservation, Education, and Patriotism? Or how our society fulfills its motto of God, Home and Country? Do you want to be a part of the future of DAR? Then sign up to be a Page at the 2013 State Conference! Paging is not just for Juniors... Daughters of all ages are welcome to page at the Utah State Conference. Members of C.A.R. are also eligible to page at State Conference.

To sign up, or for additional information, please contact Melissa Moon by March 23, 2013.

**Children of the American Revolution:** Members of Children of the American Revolution are invited to participate in the processional on Saturday morning, April 27, for the Utah State Conference. Participants should be at the Radisson Hotel by 8:15 am. To sign up, or for additional information, please contact Melissa Moon by March 23, 2013 at 3242 South 350 West, Bountiful, Utah, 84010 (801) 510-7389 or melissaamoon@gmail.com

**OUR HONORED GUEST: MERRY ANN T. WRIGHT,  
PRESIDENT GENERAL, NSDAR**

President General Merry Ann T. Wright has been a DAR member for 46 years and has a distinguished service and professional background. She was elected to the position of President General after serving the National Society at every level. This includes being one of the first Presidents General to have also served

on the NSDAR professional staff. This experience has given her a unique understanding and expertise of the management of this multi-faceted membership organization.

As President General, Mrs. Wright heads the 122 year old women's volunteer service organization which includes over 170,000 members in nearly 3,000 chapters in the United States and 13 foreign countries. As Chief Executive Officer of the non-profit organization, she also leads a professional staff of 140 at the National Headquarters in the heart of Washington, D.C. The staff is responsible for the day-to-day operations of the Society as well as the maintenance and promotion of the Society's National Historic Landmark buildings, which are open to the public.

The theme of this administration, 'Preserve the Past, Enhance the Present and Invest in the Future,' will determine how we will work together," explained President General Wright in her installation speech. "It will reflect our decision-making about each program and activity and how to carry out our mission to promote historic preservation, education and patriotism."

This theme and the energy of President General Wright have brought growing numbers of members to the Society, surpassing the 900,000 mark for the 122 years of the organization. Through her drive, NSDAR has provided thousands of dollars in grants to over 90 non-profits; increased chapter involvement in historic preservation, education, and patriotic endeavors; and has overseen restoration and repairs of its headquarters buildings in Washington, DC. Mrs. Wright was the first NSDAR Director of Development, being recruited by the organization to launch its first development department in 1998. She served in that position for nine years, building the foundation of successful funding initiatives that thrive today. Prior to that, she served as the Chief Executive Officer and President of the American Lung

Association of Mid-New York in ten upstate New York counties for 13 years, after serving for three years as their Development and Public Relations Director.

Mrs. Wright retired as the NSDAR Director of Development in order to serve as NSDAR First Vice President General, from 2007-2010. Her additional extensive national leadership service in the Daughters of the American Revolution include 15 years on the National Board of Management (the governing board of the Society), eight different national chairmanships, and four other national vice chairmanships.

These varied executive experiences gave Mrs. Wright liaison responsibilities and oversight over such key committees of the Society as Public Relations and Media; Continental Congress; Development; Long Range Planning; Personnel; Investment; Finance; and Special Projects and Events. She also spent six years on the Technology Advisory Committee, which was a driving force behind the digitization of millions of the National Society's genealogical records.

She has distinguished service in New York State, including serving as State Regent of New York, as well as many other state offices and chairmanships. She was twice honored as the DAR New York Outstanding Junior and was named one of eight division finalists for National Outstanding Junior of the year.

In addition to Mrs. Wright's extensive DAR service, she is also very active in her church and community, including serving on boards of local charities and being a past member of the Rotary Club and Association of Fund Raising Professionals.

Mrs. Wright grew up near Syracuse, New York, and now resides in Leland, North Carolina with her husband Lawrence F. Wright. She is the mother of two sons and two stepsons, and grandmother of five.

### **Mary Agnes McAlleenan, Wyoming State Regent**

Mary Agnes McAlleenan has been a member of NSDAR since 1984. She has served her Fremont Chapter as Regent, and has served the Wyoming State Society as Recording Secretary and Organizing Secretary. She was elected State Regent in 2012. She worked overseas for the U.S. Department of State for a number of years, and is glad to be back in Wyoming, enjoying farming and ranching.

### **Robert C. Oaks**

Robert C. Oaks was born in Los Angeles, California. He grew up in Provo, Utah, where he graduated from Brigham Young High School, then entered the first class of the U.S. Air Force Academy after attending Brigham Young University for one year. He graduated from the Air Force Academy in 1959. In 1967 he received an MBA degree in personnel management from The Ohio State University. He also attended the U.S. Naval War College in 1973-74.

Upon graduation from the Academy, he completed flight training and fighter gunnery training, and later flew combat missions in Vietnam. Over the course of his thirty-five year career, he was able to keep returning to fighter operations, and was flying F-16 Falcons in Germany at the time of his retirement in 1994. He commanded units at all levels of the Air Force. At Ramstein Air Force Base in Germany, he commanded the 86<sup>th</sup> tactical fighter wing and later was commander of U.S. Air Forces Europe. He also commanded allied NATO air forces in Naples, Italy and at Ramstein, Germany. He retired as a General from the United States Air Force after more than 35 years of service. Following his retirement he moved to Pittsburgh where he became the senior vice president for operations at US Airways.

Gen. Oaks was awarded the Distinguished Flying Cross for his Vietnam service, and two Distinguished Service medals. He is also the recipient of the Brigham Young University Alumni Achievement Award and the United States Air Force Academy Alumni Association Distinguished Graduate Award.

In April, 2000 he was called to serve in the Second Quorum of the Seventy as a General Authority for the Church of Jesus Christ of Latter-day Saints; he was released as a General Authority in October, 2009, and returned to his home in Utah.

### **Cindy McCoid Toone, Vice President General, Honorary State Regent of Utah**

Cindy McCoid Toone has been a member of the NSDAR for 22 years, when she joined as a junior member at the encouragement of her mother. She has served at the chapter level of both the Salt Lake Valley Chapter and the Sego Lily Chapter, as regent as well as other offices and chairmanships.

Cindy was elected Vice President General, NSDAR at Continental Congress in 2012. She will tell you it is a

privilege and a pleasure to continue to serve the NSDAR as a one of seven members of the Class of 2015. Cindy served as 60<sup>th</sup> Utah State Regent. During her term in office, she encouraged Utah Daughters to "Get Involved" by planting trees to commemorate past Utah State Regents. She has also served the Utah State Society as Vice Regent, Organizing Secretary, and Corresponding Secretary as well as committee chairman of DAR Schools, Flag of the United States of America, Junior Membership, and Children of the American Revolution. She served as Southwest Division Vice Chairman C.A.R. She was a Utah State Outstanding Junior. She served as a Continental Congress page for 5 years, and has served on various house committees.

Cindy has served as Senior National Vice President of the Rocky Mountain Region, Senior State President, and Senior Society President of the Dominguez y Escalante Society for Children of the American Revolution.

She has been married to her husband, Alan Toone, for 35 years. They have 3 children: a son living in California who was recently married, a daughter who

graduated from the University of Utah in Civil Engineering, and a daughter working at Zion National Park with her husband, who just introduced Cindy to the joys of being a grandparent.

Cindy works full time for JC Penney at their accounting center in Salt Lake City, but is NOT an accountant. Cindy and her husband are renovating a historic home built in 1891, and hope to move in sometime before it kills them. Between DAR, work, and the house that might not be far off!

## From the Chapters

### **Bear River – Joanne Jensen, Regent**

The Bear River Chapter has been busy with activities for soldiers and veterans this year. We mailed seven packages to soldiers last fall, and made 5 pillowcases for veterans. On Sunday evening, November 11<sup>th</sup>, an Honorary Veteran's Celebration was held at the Beehive Retirement Home with a patriotic program, refreshments and music. Two veterans were honored and given patriotic pillowcases. Marilynne Wright was chairwoman of this successful event. Ruth Lehenbauer provided the music, and Lucy Johnson sang a solo. At our Christmas party more items were donated for boxes for soldiers; we presently have three more boxes ready to mail. Fortunately, the soldiers who previously received boxes have returned from Afghanistan, so we are in the process of getting additional soldier addresses. We recently finished folding pocket flags to hand out to soldiers leaving on a tour of duty.

We've had two recent genealogy programs. In October, Clive Romney gave a wonderful program entitled "Genealogy through Music and the Arts". He encouraged us to research information about our great-grandparents, grandparents, etc. so that we could really "know" them. He performed, with the help of a guitar, many of the poems and songs he had written in remembrance of his ancestors. In January

our Anniversary Luncheon was held with the theme "Sharing Genealogy Successes". Members presented two-minute talks about a particular ancestor, or a current genealogy success.

In November, Bear River Chapter recognized the 50<sup>th</sup> anniversary of the Cuban missile crisis. Eric Swedin was the speaker, and reviewed the events of that time. Then he gave a presentation of his award-winning book, "When Angels Wept, An Alternate History of the Cuban Missile Crises".

### **Color Country – Alta Thorpe, Regent**

Greetings from Color Country Chapter (CCC)! We continue our commitment and service to DAR and to our community, with focus on Service to Veterans. Thanks to the generosity of CCC members, we have exceeded our goal of 108 lap robes for the new 108-room veterans' home under construction in Ivins, Utah. Additionally, CCC helped to support a new veteran's mental health center. The target population of the new center is veterans who served in Iraq and Afghanistan, and their families. Through the generosity of the Catholic Thrift Store, we provided 25 books and 12 toys to the center. CCC provided five dozen cookies for their Christmas Party.

We take cookies to the local veterans' outpatient clinic as well as holiday cards with handwritten messages of appreciation for their service to our country. American flags are presented to veterans in local nursing homes. CCC has also provided individual gift bags containing new socks, caps and gloves, plus small snacks for local homeless veterans.

Continuing on the theme of service to veterans, on December 15th we participated in Wreaths Across America at two local cemeteries, including the local Native American Cemetery on the Shivwits Band of Paiutes Reservation near St. George. The ceremony at Shivwits Cemetery began with a prayer offered in the Paiute language, and later in the ceremony, two songs

were sung in Paiute by a native singer. Family members of veterans buried in the cemetery expressed appreciation for Wreaths Across America; we were told it was the first time the Native American veterans had ever been recognized and honored by the community.

Period costumes at Color Country's Christmas luncheon

Thanks to the hard work and planning of CCC members Mary Moore, Sue McElhaney, June Morton and Earline Tessler, our chapter Christmas Party and luncheon was a rousing success. The theme was "The Boston Tea Party", and chapter members and guests were encouraged to attend in colonial costumes. Each guest was presented with a "Tea Party Timeline" created by Lu Fischer, and a commemorative package of Boston Harbor Tea manufactured by the same company that made the ill-fated tea dumped into the Boston Harbor: Davison Newman & Co Ltd of London. They are still in business! Additionally, each guest received a copy of the original petition by the tea company to "The King's most excellent Majesty" asking to be compensated for their lost cargo. The company was never compensated.

CCC looks forward to another year of service to God, Home and Country.

### **Salt Lake Valley Chapter – Dorothy Williams, Regent**

Salt Lake Valley Chapter commemorated Constitution Week at our September meeting with a play re-enacting the signing of the Constitution. Chapter members enthusiastically portrayed many of the various signers.

Our October meeting was held outside on a beautiful fall day. Following a special flag ceremony by Bluffdale Boy Scout Troop Number 64, several flags were "retired," including one carried by State Regent Shirley Nelson's father during WWII. The scouts also reviewed several historical flags.

We were honored to have State Regent Shirley Nelson join us at our November meeting. She presented information about her Regent's Project to raise funds to purchase a piano for the Fisher House. Our guest that day were two Gold Star Moms who told very moving stories of meeting with soldiers and Iraqi citizens on a trip to Iraq, as well as other experiences.

Before and after the meeting we held our Chapter Boutique, an annual fundraising event. This year, our Junior Members took this opportunity to sell cupcakes for the Helen Pouch Memorial Fund

In addition to special programs, Chapter members continue to participate in a variety of service projects, in and out of DAR, as well as donate generously to veterans and other groups. Chapter members have also been busy reviewing entries for various student contests: JAC, American History, Christopher Columbus contests and DAR Good Citizens, with greater participation from students and schools than previously. We are especially happy to report that we had six area high schools participate in the DAR Good Citizen contest. Contest winners will be recognized at our February meeting.

### **Sego Lily – Belinda Barking, Regent**

Sego Lily Chapter is excited to have added 5 new members to our chapter, 4 by application and 1 by transfer. Sego Lily Chapter has sent packages to 3 servicemen in Afghanistan; we also donated items to the VA Nursing home in Ogden. In October we took a tour of the Fisher House in Salt Lake City, and took donations for their guests. It is a first class facility, well worth a tour and our support, and we are excited to support our State Regent's project to donate a piano to the Fisher House.

### **Uintah –Lisa Hoyt, Regent**

The Uintah Chapter Daughters have been very busy this year. Inspired by our Chapter Theme, "Spreading Patriotism through Service", Chapter meetings and events have been tied to service opportunities. State Regent Shirley Nelson graced us with her presence at our September Constitution meeting. We gathered items to be donated to the DAR sponsored schools and laughed through an entertaining Constitution skit presented by Chapter Regent Lisa Hoyt and Vice Regent Meredith Frey.

October brought a spark of youth as members of the Dominguez Y Escalate Society C.A.R. presented the flag ceremony at our meeting. The October program was given by Regina Fallis from Adopt a Native Elder. Her compelling stories were complemented by our efforts stuffing over 30 holiday stockings with essentials and goodies to be delivered to the elders.

Veterans were the focus of donations and a part of our November program. We also learned a bit more about the DAR library from Chapter Librarian Nancy Longhurst. Left over Halloween candy was sent to our adopted Military member and his platoon. Our Chapter put up holiday decorations in the Women's Clinic at the Salt Lake VA Hospital in December.

Meredith Frey and Lisa Hoyt, "Tea for Two" Skit

Chapter members also enjoyed participating in the State Officers' Club Christmas Social, and Wreaths Across America.

The new year gave us a chance to try something new: we held an evening dinner social. State Regent, Shirley Nelson, joined in the fun. Uintah Chapter members look forward to the continuing year sure to

be filled with exciting meetings and events as well as service opportunities which can be used to serve our fellow countrymen, increase awareness about our organization and inspire patriotism.

### **Wasatch Range – Carol Ann McPheeters, Regent**

The Wasatch Range Chapter has welcomed in 6 new members and 5 transfer members. We have arranged with the Orem Public Library to hold our monthly meetings in their lovely Children's Story Telling Room. We have updated our chapter bylaws and started a chapter newsletter.

We have been collecting goodies and treats at each meeting for 2 active duty soldiers: Anthonie Nederhand and Jackie Munn. The packages are mailed and well received by the soldiers and their friends in their units. Some of our members have been knitting helmet liners and sewing pillowcases for Project Patriot.

Norman and Shirley Tong told us of their personal experiences during the bombing of Pearl Harbor and how it affected their families. One of our own members, Jackie Coleman, presented to us an overview of her master's thesis: Music, Medicine, and Premature Babies. The results of her study caused the NICU at Utah Valley Regional Medical Center to change the background noise of the NICU to soft children's music. It helps the babies to thrive better. Another one of our members, LeAnn Eliason, has a husband, a son, and a granddaughter who have

served, or are actively serving in the military. Each of them came dressed in their respective uniform and told us of their experiences serving our country in the Army and Air Force. Her son served as an Army Chaplain in Afghanistan.

## **In Memoriam**

### **Elvira Charlotte Robbins White, Honorary State Regent**

Elvira White, Honorary State Regent, passed away October 15, 2012. She served as State Regent from 1983 through 1986, and was a DAR member for 40 years. (She was also the mother of our State Regent, Shirley Nelson, and our State Organizing Secretary, Judy Mayfield).

**Harriett Horne Arrington**, Princess Timpanogos Chapter

**Mary Lynne Hansen**, Princess Timpanogos Chapter

**Barbara Moss Hatch**, Golden Spike Chapter

**JoAnn Law Olsen**, Bear River Chapter

**Jane Odekirk Wall**, Color Country Chapter

**From the State Historian, Lisa Hoyt**

The state society has a storage unit for the storage of state and chapter records. Each chapter is allowed one box in the unit. Requirements to place a box in the storage unit: All contents must fit within the box. An itemized list of the box contents should be visible when the lid of the box is removed. Three (3) copies of this list should be submitted to the State Historian. Copies of the list should also stay with the Chapter Regent and Historian. The box must be clearly labeled with the name of the Chapter. If you bring your chapter box to State Conference, Lisa Hoyt, State Historian, will transport it to the storage unit.
