

# UTAH DAUGHTERS

Volume 8 Number 1

Late Summer, 2006

## State Regent's Message

It was my great honor to be installed as State Regent at Continental Congress and it will be a privilege to serve the Utah State Society. Thank you for your support in electing me to this office, and my thanks to the other state officers and to all the committee chairmen with whom I will be serving.

Our State Motto for the next two years will be "*USSDAR. We are the Bridge from Chapter to National*," and the symbol of this administration is to be Delicate Arch.

The State Regent's Project I will propose is "Historic Preservation." Our first goal is to work with all of you to strengthen and stabilize our chapters. We have many new chapter regents in the state. All our state officers are willing to help you in any way. Just let us know what you need. I look forward to meeting with you in your chapters. Let me know when it is convenient for me to visit.

The second of our goals is the preservation of our chapter and state records. Let's get those papers, pictures and scrapbooks out of the attic and the garage; out from under the bed and into more secure storage. Some of our state records and scrapbooks are now in our state storage unit, but there is still space for more. If you need help with storage, call our State Historian, Jolene Bushman, or myself.

And finally, but just as important, we will continue our work of cleaning and repairing our State DAR monuments and markers. These monuments are part of our heritage and we must see that they are preserved for the future.

I look forward to seeing all of you at our State Training Workshop on August 19<sup>th</sup> and throughout the year as we support the theme of the National Society "*The Bell of Freedom ... The Sound of Patriotism*."

Pat Fullerton,  
State Regent

## SUMMER WORKSHOP IS SATURDAY, AUGUST 19<sup>TH</sup>

Salt Lake Plaza Hotel  
122 West South Temple  
10:00 a.m.

Aspen Room 1 & 2 on the Lower Level

- All DAR Members are welcome to attend!
- 1:00 p.m. Board of Management Meeting
- 8:30 – 9:30 a.m. eMembership Seminar at Family History Library

See page 2 for  
all of the  
details...

## USSDAR Summer Workshop

All State officers, State committee chairmen, and all Chapter officers and chairmen are urged to attend. This workshop is open to *all* DAR members. Its purpose is to aid officers and chairmen with understanding their new roles, as well as support and assist the "not-so-new."

The 10:00 a.m. meeting will take place at the Salt Lake Plaza Hotel, next to the Family History Library, at 122 West South Temple. Take the elevator to the Lower Level, and come in to Aspen Rooms 1 & 2.

State officers and State committee chairmen:

- Please bring 10 sets of instructional material for the State Regent and chapter regents.
- Those who wish to address the group about their office or committee may do so in a 2-minute presentation.
- Be prepared to give the group deadline dates for student applications, competitions, and reports.

Following the workshop, lunch will be "on-your-own." There is a JB's Restaurant attached to the hotel that has a soup and salad bar, and menu selections. Sandwiches are about \$6.00. Parking is very convenient (enter on South Temple in front of the hotel entrance) and is \$3.00 for hotel guests and \$5.00 otherwise.

State directories priced at \$3.00 will be available from Joni Crane during the meetings.

The USSDAR Board of Management will meet in the hotel following lunch at 1:00 p.m. Please plan to attend!

---

The Summer Workshop is planned to follow the first-ever Utah "eMembership Seminar" at the Family History Library. NSDAR has a public website, a members-only website and an e-membership website. The emembership website is designed to conduct chapter and state business online, such as name and address changes, chapter transfers, officer and chapter member lists, etc. It is available to Chapter and State Regents, Registrars, and Treasurers; as well as State Organizing Secretary and Membership Chairman. It requires a password. Please look at <http://emembership.dar.org>

if you have not received your password. The NSDAR members-only website contains a bevy of information for members such as NSDAR announcements, committee information, Patriot Index, information about ordering record copies, DAR Store, and so on. It can be found at <http://members.dar.org>. Come find out how to use these great tools by attending...

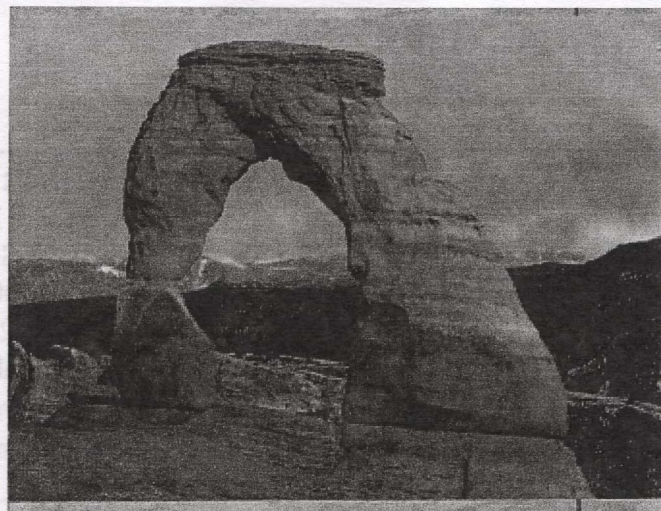

## The eMEMBERSHIP SEMINAR!

At Continental Congress it was announced that emembership has risen to the next level! WOW! The descendents project is now beginning to appear online. On August 19th from 8:30-9:30 Joni Crane will be covering "Using and LOVING emembership". The class will be located in the Salt Lake Family History Library's Computer Classroom so that we all can have a hands-on lesson.

You don't need to know how to use your computer to learn this, anyone can learn and I will be happy to keep in touch with members after the class who need more guidance. Make sure at least one person from your chapter is there to bring back this knowledge to you chapter.

There are items available on emembership that help almost every chairman in you chapter, so find out how to access these items. Make sure you bring your emembership login ID information and then head to the August 19th Board of Management Meeting soon after. Look forward to seeing you there!

Joni Crane, State Registrar

## Meet Your New State Regent...

### PATRICIA ANN HARRIS FULLERTON

I was born in Paris, Henry County, Tennessee, as the middle child with four brothers. My early childhood was spent in West Tennessee, except for three years during World War II, when we lived in Oak Ridge, Tennessee. We moved to Paducah, Kentucky when I entered high school, and I later attended the University of Kentucky in Lexington. In 1959, I received my Bachelor of Science in Pharmacy and that same year married Donald Streeter Fullerton, also a graduate of UK with a Masters Degree in Geology. Don's career in oil and coal exploration led to many moves around the country.

Our oldest daughter, Laura, was born in Ashland, Kentucky, and two years later our daughter Jennifer, was born at Vanderbilt Hospital, in Nashville, Tennessee. After moves to Knoxville, Tennessee; Corpus Christi, Texas; Denver, Colorado; and Evansville, Indiana, we found ourselves living in Salt Lake City in 1971. After a couple of years in Vancouver, B.C., Canada, and a short term back in Tennessee, we settled here permanently.

Both of our daughters graduated from Westminster College. Laura is married to Fred Boutwell and is the mother of eight-year-old triplets. Jenny and her husband, Richard Moncier, are the parents of eight year old and five year old sons, and live in Parker, Colorado. We are members of the Episcopal Church and currently attend All Saints Church in Salt Lake City.

During the '80's I was active in Newcomers Club of Salt Lake City and held several offices including that of President. In 1989, I returned to work as a Pharmacist at the Brickyard Harmon's store.

I joined the DAR Salt Lake Valley Chapter on October 12, 1991, and have held the offices of Registrar, Regent and Director and have chaired several committees. I have served the Utah State Society as Registrar, and First and Second Vice Regent, and as chairman of various committees. I also have served as National Vice Chairman, SW Division Lineage Research, and currently am

National Vice Chairman, SW Division, and Volunteer Genealogist Chairman.

My favorite pastime is genealogy, and I have proven Revolutionary War service for 18 of my ancestors to date. I hope I soon will have time to do more research.

*Editor's Comment: I am certain that you enjoyed getting to know your new State Regent, as I did. There is no doubt that Pat will represent Utah splendidly during her Administration.*

#### Continental Congress Installation

Diane Tarbox, Honorary State Regent; Presley Merritt Wagoner, President General; Pat Fullerton, State Regent; Cindy Spencer, Vice Regent.

#### DAR WEEK AT THE FHL

Excitement is building as the DAR Family History Library Week approaches. Honorary State Regent Diane Tarbox and State Registrar Joni Crane have been busy preparing for the August 13-19 event.

The Week will begin with a lecture by noted genealogy lecturer George Ott speaking about "Getting the Most Out of your Research at the FHL." A reception is to follow.

Vicky Zuverink, Librarian General, will be our honored guest and speaker at a Southwestern Buffet Dinner on Monday evening.

Various daily classes are available during the week at the FHL, including information on DNA and Genealogy; DAR Applications and Supplementals; US Midwestern States Death Records; Organizing your Records; and US Military Records. Of course, there is plenty of "on-your-own" research time along side your fellow Daughters who are attending from all over the US.

Thank you, Diane and Joni for your hard work!

## Jolene Bushman, National Outstanding Junior Finalist

The Outstanding Junior Member Contest began in 1963 to recognize Junior Members of DAR. The purpose is to honor young women who have truly promoted the aims and purposes of the National Society, participated in community activities, and encouraged all Junior Members to be interested and involved in DAR programs and projects. Recognition on the Chapter, State or National level is truly an honor. Being one of seven National Finalists is an even more amazing honor. Jolene was just that, representing Bear River Chapter, Utah State, and the Southwest Division at Continental Congress this year. Jolene is the *first* Utah Daughter to be an Outstanding Junior National Finalist.

Marilyn Bushman and Carolyn Bushman, Jolene's mother and sister, were on hand in Washington, DC for support. Jolene and Carolyn didn't just sit around, however. They were National Pages during the weeklong event as they have been numerous times in the past.

Thank you, Jolene, for representing Utah so admirably. What a wonderful week it was for the Bushman women!

The Bushmans: Carolyn, Marilyn, and Jolene at Continental Congress

Joni Crane and President General Presley Merritt Wagoner

## Joni Crane, the Photographer

Joni was very busy at Continental Congress. She was not only a National Page, but a Congress On-line photographer, campaign manager and mother as well.

This year, the Congress On-line Committee invited eleven camera- and computer-literate women to wander about taking candid photos of Congress-goers in the act of having fun.

The NSDAR members-only website, <http://members.dar.org>, has a link to the Congress On-line photos taken. There are a myriad of candid and posed pictures depicting the week of Continental Congress. Many of these photos are thanks to the efforts of Joni.

Kendall Crane, Utah C.A.R. State President, attended Congress with her mother Joni. Kendall was able to get an up-close view of Continental Congress and DAR. A wonderful way to get our future members involved!

Joni received recognition at Continental Congress for Outstanding Service for being one of the Top 10 Best VIS (Volunteer Information Specialists) State Chairmen; a Certificate of Appreciation as VIS State Chairman; Outstanding Contribution for Web Site Construction; and VIS Web Page of the Month Webmaster for both Centennial State and Blue Spruce Chapters in Colorado. She is currently the Utah State Registrar and Membership Chairman, and co-chairman of the upcoming DAR Week at the Family History Library. Thank you, Joni!

## Utah Receives Numerous Awards at Continental Congress

The Utah Daughters can be very proud of their participation in the Society. Utah received awards for the following:

Outstanding in:

- Commemorative Event Coverage
  - Chapter Public Relations Narrative
  - State Public Relations Report
  - Effort in Public Relations
- 100% Chapter Participation for Advertising
  - Governor-signed Constitution Week Proclamation

Jane Nelson-Comp, Bald Eagle Chapter Regent, received a Certificate of Outstanding Service for the Descendants Project. Her Bald Eagle Chapter was also recognized as a Chapter Sponsoring 15-24 Schools for the DAR Good Citizens Committee.

Bald Eagle's Harriett Priska received two awards: Best Report and Certificate of Merit, Second Place, from the Conservation Committee.

Honorary State Regent Sue Anderson-Ball of Wasatch Range Chapter received a Certificate of Appreciation from the National Defense Committee.

Cindy Toone of Sego Lily Chapter was recognized with an award as serving as National Vice Chairman of C.A.R. Committee.

Princess Timpanogos Chapter received recognition with a certificate for Outstanding Chapter Report for Constitution Week, as well as Second Place Chapter in the Southwest Division for Commemorative Events.

Shirley Nelson, Princess Timpanogos Chapter, was awarded a Certificate of Appreciation as Southwest Division Vice Chairman of Seimes Technology Center.

Color Country's Joni Crane returned with five awards for her VIS work. Please refer to the previous article about Joni for details.

Last, but not least, our newest Honorary State Regent, Diane Tarbox, was recognized with awards for Outstanding Service as American Indians State Chairman; Second Place State Winner of Commemorative Events; and a Certificate of Appreciation from Seimes Technology Center.

What a wonderful array of awards to our very deserving Daughters, Chapters and State. Congratulations!

## C.A.R.

George Washington, Thomas Jefferson, Benjamin Franklin, Charlie Brown, Paul Bunyan, Jonny Appleseed, Indiana Jones, Snow White and all seven dwarfs visited the Rocky Mountain C.A.R. members at their regional meeting on Monday, June 19, and Tuesday, June 20, in Salt Lake City. National Officers and Committee Chairmen wrote skits to be presented at the nine Regional meetings with some very entertaining characters. Members participated by competing to read from the Program Packet about the purpose, program, and contest for each committee.

The National Project "Pursuing American Victory" presented by National President Robert A. Fritsch will help raise funds to restore the Spring House at Valley Forge National Historic Park.

State President Kendall Crane unveiled her state project to raise funds for children of War Veterans by selling prints by famous artist Arnold Friberg of "The Prayer at Valley Forge".

Orrin Chadborn from New Mexico showed the highest level of enthusiasm and was presented with the Regional Enthusiast Award as this years "Party Animal". He was presented with a "party" hat, "party" poppers, and other patriotic "party" paraphernalia at the banquet Tuesday night.

The tour was VERY hands on with members and seniors getting "A Pioneer Experience" at the This is the Place Heritage Park by reenacting a mini-trek with handcarts and tour guide provided by the park. Members and Seniors were also treated to a short tour of famous and historic sites in downtown Salt Lake City.

Many thanks go to all the members, seniors and DAR members who helped make this meeting such a great success.

Cindy Toone  
National Vice Chairman, C.A.R.

## CANDIDATES ANNOUNCED FOR 2007 NSDAR ADMINISTRATION

The Continental Congress preceding the current administration's final year is always exciting. The upcoming slate of candidates for the following administration is announced.

The Wagoner Administration concludes its term next July. Our new NSDAR Executive Officer Candidates announced in Washington, DC following Continental Congress are:

- President General: Linda Gist Calvin of California
- First Vice President General: Merry Ann Thompson Wright of New York
- Chaplain General: Dell Dickins Scoper of Mississippi
- Recording Secretary General: Joyce Harrell Cardinal of Mexico
- Corresponding Secretary General: Florence Fitch Patton of Texas
- Organizing Secretary General: Carole Temple Farmer of Missouri
- Treasurer General: Margaret Sinclair Hurd of Arizona
- Registrar General: Donna Kargo Santistevan of Colorado
- Historian General: Margaret Drummond MacKenzie of District of Columbia
- Librarian General: Pauline Tarbell Bartow of Maine
- Curator General: Michelle Mott Juehring of Iowa
- Reporter General: Rebecca Ellington Lockhart of Florida.

This slate of candidates has chosen the Golden Pineapple as the official symbol of the Calvin Associates Campaign. The pineapple has signified gracious hospitality and kindness since colonial times. Their theme is "The Spirit of Hospitality Opens Doors of Opportunity."

Honorary State Regent Sue Anderson-Ball and Cindy Spencer are State Campaign Co-Chairmen. Campaign sale items will be available at the August Summer Workshop. Look for the display table of lovely Golden Pineapple items.

### Continental Congress

#### Opening Night in the Utah Box

Front: State Regent Diane Tarbox, State Vice Regent Pat Fullerton. Back: Cindy Spencer, Kendall Crane, Mary Alice Brinley.

### Continental Congress and Utah

It was very rewarding to see that fourteen Utah Daughters (or soon-to-be Daughters) attended the 115<sup>th</sup> Continental Congress in Washington, DC. Congress was held from June 28<sup>th</sup> to July 2<sup>nd</sup>, but all of the Utah Contingent arrived early.

The Utah group did have some weather snafus. There was flooding the District and delayed flights all along the eastern coast. Fortunately, no major delays or problems arose to "dampen" enthusiasm.

Jolene and Carolyn Bushman were in attendance to represent Bear River Chapter.

State Regent Diane Tarbox, Joni Crane, and her C.A.R. daughter, Kendall Crane, represented color Country Chapter.

Princess Timpanogos Chapter members Mary Alice Brinley and Diana Lee attended.

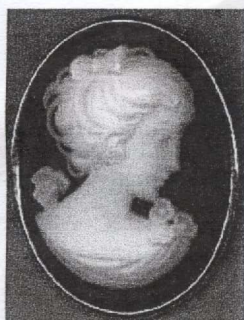

Incoming State Regent Pat Fullerton represented Salt Lake Valley Chapter.

Marcia McGuire and Cindy Spencer, mother and daughter, are Uintah Chapter members.

New member Jacquelyn Coleman, Honorary State Regent Sue Anderson-Ball, Marilyn Bushman, and Chapter Regent Deloris Niedfeldt were present from Wasatch Range Chapter.

The Utah Daughters had many activities and duties during Congress. Mary Alice Brinley arranged for a White House Tour. The Golden West Tea was more relaxed this year, as Utah was not hosting the event. Days and evenings were busy. All Utah Daughters, however, enjoyed the event.

## Cameo Club

Hear ye, Hear ye, Cameo Club reaches a milestone!

In the club's annual meeting on April 29th, it was reported that Utah's society now have 50 charter members! New officers were elected to a term of two years. MarShan Nelson agreed to serve President and Lu Fischer as Secretary/Treasurer.

The object of Cameo Club is to promote the sharing of genealogical information and family histories among generations.

The fee for application is \$2.00 per member with annual dues of \$1.00 to be paid no later than the last day of State Conference. All proceeds from application fees and dues are to be applied to some future philanthropic endeavor chosen by club members.

There are many generational combinations possible for membership, so COME ON! Bring your family together and join us in our Utah Society Cameo Club.

MarShan Nelson  
Cameo Club President

## Thank You, Honorary State Regent Diane Tarbox

Diane Tarbox represented Utah extremely well during her tenure as State Regent. She was able to travel to numerous states to attend their annual State Conferences, and to entertain many DAR guests here in Utah. Her State Regent's Project was the first DAR Week at the Family History Library, and proved to be very successful. She has received innumerable requests for it to be an annual event.

Diane wishes to express her love and thanks to the Utah State Society for supporting her in her bid for Vice President General. She is particularly appreciative for Joni Crane, her campaign manager and friend, for the many hours Joni spent in her behalf.

Diane, Utah Daughters appreciate you for all of your efforts representing our state. Thank you.

## JAC

The NSDAR Junior American Citizen Committee has its roots in a 1901 Cincinnati, Ohio chapter who organized a youth club "to teach...children some knowledge of the underlying principles of our government, of American sentiment, and of all that will go toward making them good citizens."

JAC in Utah has been exceptional. This year, Utah JAC entries took nine national honors.

Honorable mention went to first grader Branden Robinsion; third grader Olivia Howell; ninth grader Chelsea Howell, and high school junior Chandler Howell in the stamps contest.

Parker Howell took the fifth grade short story honorable mention.

National second place awards were to second grader Alysson Houston for her poster, and seventh grader Heather Howell for her short story.

First place awards went to high school senior Jorrien Peterson for his short story, and Pleasant Grove Elementary Pre-School for their banner.

Thank you to all of the chapters who supported JAC contests, and to Carolyn Bushman, State JAC Chairman. Despite Utah's relatively small size (in DAR membership), we earned a disproportionate number of JAC national awards. Great work!

Utah State Conference, 2006  
Uintah Chapter members Lynne Turner, seated;  
Debbie Hoyt, standing; Virginia Nelson, seated.

## This and That...

- Utah State Society wishes to welcome new Utah members since January 1, 2006! Karen Kunz joined Bear River Chapter in February. Janet French and Iona Syphus are in Color Country Chapter. Golden Spike has two new members since June: Susan Arnita, a Junior Member, and Mary Hilliard. Princess Timpanogos boasts two new members, Anne Bagley and Nicoline Lee. Wasatch Range Chapter has six new members, four of them Juniors. Approved in April were Emily Marrott, Katy Olson, and Janae Pickett. June brought membership to Jacquelyn Coleman, Alyce Kennington, and Erin Randolph.
- Think about having a "Membership" or "Mentoring" Moment at each of your chapter meetings. Take a minute to think of ways to recruit and keep those new members.
- Did you know that NSDAR divides the country into Divisions? There are eight divisions: Northeastern, Eastern, Southeastern, East Central, North Central, South Central, Northwestern, and Southwestern. Utah belongs to the latter, along with Arizona, California, Colorado, Hawaii, Nevada, and New Mexico.
- Please notify Joni Crane of any membership change of address, phone number, or email address. She is keeping the State Directory current and needs your help. Email her at [joni@sbtnet.com](mailto:joni@sbtnet.com).
- The next Utah Board of Management (BOM) meeting will be held on January 13, 2007, at 10:00 a.m. Put the date on the calendar, more information will follow. Please bring a newsletter article about your chapter and current chapter mailing labels.
- Hostess chapters for the 2007 Utah State Conference luncheon and banquet tables are Salt Lake Valley and Bear River. Just thought you might want to know...
- *Potential* State Conference dates are April 27 and 28. Finalized dates to be announced.

- 2007 Continental Congress dates are June 27 through July 1 in Washington, DC.
- Utah's nine Chapter Regents are:
 

Bald Eagle	Jane Nelson-Comp
Bear River	Rena Forinash
Color Country	Earline Tessler
Golden Spike	Joyce Hamilton
Princess Timpanogos	Helen Clayton
Salt Lake Valley	Kay Christiansen
Sego Lily	Cindy Toone
Uintah	Nancy Longhurst
Wasatch Range	Deloris Niedfeldt
- Take a minute to renew or subscribe to the NSDAR's award-winning *American Spirit* magazine and the Daughters newsletter. For \$18.00, you will receive six installments (a year's subscription) of both publications. New on-line ordering is easy: [www.dar.org/Americanspirit](http://www.dar.org/Americanspirit), or call toll-free 1-866-327-6243. This is a great way to keep in touch with what is happening in the National Society.
- NSDAR membership includes 757 Real Daughters of the American Revolution. Their fathers really *did* fight in the Revolutionary War. The last Real Daughter, Annie Knight Gregory of Williamsport, Pennsylvania, was born in 1843. Her grandfather enlisted in the forces in 1777. A widower, he took his eleven-year-old son with him as a drummer boy. That boy was Mrs. Gregory's father. NSDAR paid loving tribute to her on her 100<sup>th</sup> birthday with more than 2,000 card, telegrams and gifts.

## Air Space Educator Cohort Summer Experiences

I, Carolyn Bushman, am excited to write about my experiences with NASA this summer. During Christmas break, I submitted two experiment proposals to fly experiments on a NASA hot air balloon and Orion Rocket. Both experiments were selected. Six of my students could fly to Wallops

Flight Facility to participate in activities. Due to budget cuts, funding was unavailable. This meant that I had to raise \$6,000 for the trip to happen. I was determined to raise the needed money. Thanks to the following people, the trip did happen: ATK Launching Systems, Princess Timpanogos DAR Chapter, Mary Alice Brinley, Goshute Indian Tribe and Beehive Telephone. This experience taught me the importance of having a dream, working hard toward it, and never giving up.

The first trip occurred in March. The students had the opportunity to package our thermometer experiment for the NASA hot air balloon slated to fly July 24. The hot air balloon is bigger than the Washington Monument.

We toured the rocket making facility, control room, and weather balloon launch area. The next day they were the controllers of a weather balloon launch. I had chills going up my back as my student said ten, nine, eight... and my other student could say go or no go. Wow, what an experience.

We ended the trip by taking the boys to Washington DC. My students had no idea how big the Washington Monument was. They thought that it would be about the size of the weather balloon. Well the look on my students' faces when they saw the monument was amazing. Two of my students expressed a desire to become engineers after the trip.

In June, the second trip to Wallops occurred. One student, Crystal Henroid, is a 7th grader who is in special education. I was thrilled watching her participate. We had the opportunity to see the rocket on the launch pad up close and see the rocket launch and retrieve our experiment. If you would like to see pictures and learn more about the trip please visit <http://www.wff.nasa.gov/freespace/>

Space Camp was my next adventure. I got to do a simulation of a shuttle launch and return to Earth. I had the chance to get on some equipment that they use to train astronauts. The 1/5 gravity allowed me to feel like I was walking on the moon. It was not as easy as it looks.

I was selected as one of twenty educators from across the country to be air space education cohorts. Training took place at the NASA Ames Research Center.

I was able to see the world's largest wind tunnels. It takes enough electricity that could run the whole Bay Area to start up the wind tunnel.

We had the opportunity to see the vertical and horizontal simulator. This simulator is used to train the military helicopter, space shuttle, and lunar landing pilots. As we were leaving the simulator building, former Astronaut Karol J Bobko held the door for us. This was very special for me as he came to my school earlier this year and it was good to see him again. Astronaut Bobko was the commander when Senator Garn went into space.

My favorite tour was the future flight. They bring in controllers to model how effective an airport or a design of an airport is. The controllers say it is like the real thing. The images are in 3D. Within 10 years there will be over three times as many planes in the air as there are now. The computers that run the simulation fill a large room. It was incredible to watch all the planes land and take off and to realize that over 45 of the terminals we were seeing had yet to be built.

Last, we got to see panorama pictures from the Mars Rovers. Wow! I also got to tour the robot area and see the robots that they are planning to replace the rovers with someday on Mars and to walk beside our astronauts on the moon.

NASA has developed educational curriculum to be used in the classroom based on the real life uses of math and science. This allows everyone to benefit.

I would like to thank the Utah DAR daughters for your support. I love to share my experiences with you. Thanks for allowing me to visit your chapters. Please let me know if I can do anything for your chapter.

I feel incredibly blessed to have had these opportunities.

Carolyn Bushman  
State Organizing Secretary

*Editor's note: Carolyn's article was edited with her permission. For her entire informative dialogue, please email me at MasCps@aol.com, and I will forward it to you.*

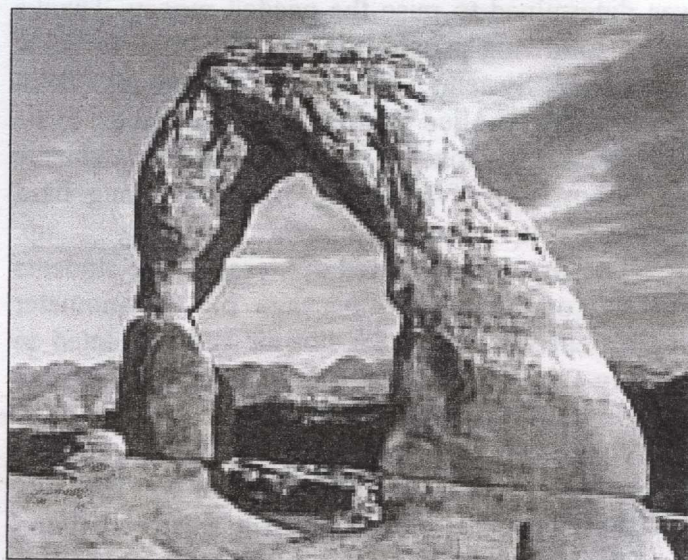

.....  
*Please send any items of interest to be printed in future Utah Daughters newsletters to Cindy Spencer at MasCps@aol.com or by snail-mail. Even quick notes on scratch paper are great. The editor can't remember anything verbally, however. So be it.*
