

**BALD EAGLE CHAPTER** has been busy. Since January, we have 4 new DAR members. Several others are working to get their papers in order.

At our March meeting to honor Women's History month, a prospective member shared her "Patriots in Petticoats" quilt and women's stories. Each block represents a woman who was important to the Revolutionary War.

Our chapter members have made over 500 masks for family, friends, the local crisis center, a nursing home, and the Navajo

Nation. We also made over 100 quilt blocks that were donated to the Quilts of Valor Program. That is enough for 5 quilts that go to Utah Veterans.

Last year was our first year to participate in the Wreaths Across America program. We had a program in Enoch and laid wreaths there and in Summit. This year we have raised enough money to lay wreaths in Cedar City, Paragonah, Enoch and Summit.

We celebrated Memorial Day with a wreath laying and walk around the local Veteran's park.

Constitution Week was honored with proclamations and education in two classes.

Again this year we have set up a display in the public library to celebrate Flag Day.

month, our DAR Good Citizen and Junior American Citizen winners were presented their certificates and pins with a nice story published by St George News about them and DAR's youth recognition programs. At our

March meeting, HODAR James Harper, a Vietnam veteran, was presented a *Quilt of Valor* from local QOV leader, Ruth Hoover,

who left with a nice donation from the chapter. The COVID-19 pandemic affected our ability to gather over the next few months but it did not dampen our spirit to be of service to others. In April, medals and certificates were provided to AFJROTC leadership for cadet ceremonies being held in a virtual environment for the very first time. Several chapter members were kept quite busy sewing protective face masks (2000+) for community-wide distribution and/or baking goods for Switchpoint, a local community resource center and homeless shelter. At our June meeting, we presented the Women of the Arts Recognition award to local Southern Utah resident, Marilyn Badger, a nationally acclaimed quilter. We also bid farewell to our 2018-2020 executive board members followed by the installation of our newly elected board members.

**GOLDEN SPIKE CHAPTER** is 100 Years Old! We Celebrated the 100<sup>th</sup> Anniversary of our Charter in January 2020. At our Chapter meeting, we displayed scrapbooks and pictures of former Chapter Regents, members, and events. A slide show was presented highlighting events through the years and some of our past Regents.

Brief biographies of some of the regents were read by Chapter members as part of this program. (These bios are being posted on our Website.) Utah State Regent, Susan Holt was our guest speaker and spoke about the early Utah State Society and the creation of Chapters. We were honored to have in attendance State Officers, Honorary State Regents and Chapter Regents from other chapters. Former Chapter Regents Helen Rabe, Joyce Hamilton and Lorilee Beazer attended and were recognized for their contributions to

our chapter. Of course, we celebrated with a **BIRTHDAY CAKE**.

**PONY EXPRESS CHAPTER** held it's organizing meeting virtually over Zoom on May 16, 2020. Due to social distancing requirements related to the Covid-19

pandemic, the chapter was unable to meet in person. In attendance were many organizing chapter members, prospective members, prospective associate members and Utah daughters from throughout the state offering support. June 5<sup>th</sup> the Pony Express

Chapter was confirmed by the National Board of Management with 23 members. During the organizing meeting Madame State Regent Susan Holt installed the first officers of the Pony Express Chapter: Regent – Kara Kelley; Vice Regent – Valerie Hunt; Chaplain – Helen

Kennington; Recording Secretary – Jen Parker; Treasurer – Laura Wigington; Registrar – Marian Ostvig; and Historian – Rena Mills. We welcomed 9 new members of the DAR and our Chaplain led them in the Oath of Membership.

Earlier in the year many future members of the Pony Express Chapter were able to gather for a luncheon and Preliminary Meeting. It

was a lovely time to sign paperwork, answer questions and get to know one another with a “speed friend-shipping” activity. While awaiting our organizing meeting future chapter members joined with the Wasatch Range Chapter to donate supplies which were sent to the Navajo Nation.

In March we learned about the Mayflower. In June we met in a member's backyard with masks and social distancing to install our new officers.

**SALT LAKE VALLEY CHAPTER** membership committee was especially busy this year. Two of our long-time members passed away and nine other members transferred to the new Spirit of America Chapter. In spite of our losses, we gained just as many new members who bring with them much enthusiasm.

Our SLV Chapter was mindful of the 2019 National Focus, Prevention of Domestic Violence and presented a great program on this topic in October.

Patriotic Refreshments

SLV earned a nod from National to present the NSDAR Medal of Honor to Gail Miller. Because of the cancellation of our State Conference, we are still in the process of making arrangements for the presentation.

A naturalized citizen and veteran of the Korean conflict was interviewed and recorded. A copy of the thirty-minute video was sent to the Library of Congress. SLV helped with a bazaar for women veterans and one junior member trained service dogs for veterans. A total of \$350 cash and \$1800 in clothing, food, games, books, were donated to veterans in 2019.

SLV logged 13,214 Service to America hours, four members took the Members Course and two members the New Horizons course. Two members took GED I and II. Patriot Records indexed totaled 444. Another great year! .

New Chapter Officers

**SEGO LILY CHAPTER** is excited to welcome several new members. Through the Child Spree program we collected 10 backpacks with supplies for school children. For our chapter's day of service we tied blankets that were donated to the VA Hospital. We also collected items for the Bountiful Food Pantry to use in their Pantry Pack Program.

For Constitution Week chapter members met with the mayors of Bountiful and West Bountiful as they signed declarations in support of Constitution Week.

We had several interesting programs during the year including Erik Pearson who spoke of his service as a member of the "Old Guard". (They are the ones who guard the tomb of the unknown soldier). We also heard from Professor Kathryn Mackay from Weber State University who talked about the 150th anniversary of the Transcontinental Rail Road. We heard from Curtis Olsen who talked about Mountain Men and their customs. Kristen Floyd, Director of Safe Harbor told us about Domestic Violence and ways we can help to support victims.

In May we met in my backyard where we could spread out and social distance. We presented our State's Good Citizen winner Muskan Walia with her state award as well as installed our new Chapter Officers. Then we gave an opportunity to our members to tell what they have been doing and how they have been managing during the pandemic.

## **SPIRIT OF AMERICA CHAPTER-**

Organized, September 5, 2019 with 23 members, 12 current members and 11 new members. In the first few months we were packing food boxes at the Utah Food Bank, delivering food in the community for the Utah Food Bank, collected food and items for

the residents at the Fisher House in Salt Lake City, worked with the City of Riverton and the Riverton Historical Society to bring Wreaths Across America to the Riverton City Cemetery, participated in Wreaths Across America, and collected cereal boxes and supplies for the Cereal Project. This was September-December. Along with our service projects we

Helping With The Cereal Project

also increased our membership by 50%, we are currently at 44 members. The last few months we organized a food drive for Majestic Elementary School in West Jordan to help the school provide food to the 80-100 students who rely on the school for food every week.

Fundraising for Wreaths Across America continues all year long to help us reach our goal of 350

wreaths. During the months that we were quarantining we had several members make masks, to date our chapter members have made 1,409 masks.

**UINTAH CHAPTER** In June we were excited to be able to welcome back the women's only Honor Flight.

In September, to celebrate Constitution week, we attended a Sandy City Council meeting during which the Mayor read and signed a proclamation

declaring Sept 17-23 as Constitution Week. We also collected 24 backpacks and delivered them to Arcadia for our service chapter

project.

While there, we spoke about Constitution Week and handed out American's Creed cards.

For our DAR day of service, we took Sunday brunch to the Fisher House to share with the residents.

Also in October, we dressed up, decorated our car, and took part in the Camp Williams Trunk or Treat, using the candy donated by all the DAR chapters. We invited

a local police detective who spoke to us about domestic violence. In January we celebrated our birthday month by enjoying a luncheon.

February is the month that we invite our essay winners to read their essays. We were excited that our 5<sup>th</sup> grade winner won the Southwest Division! For women's month in March, Judge Joann Rigby shared her experience of getting elected as judge, and her accomplishments since then.

decided last September to enter into the American Heritage Contest in the Hand Quilted Wall Hanging category. We asked chapter members to submit a photo of their ancestors who would have been eligible to vote for the first time in 1920.

Meli Caulkins took the photos that were emailed to her, processed them onto white fabric, came up with the idea of a bookcase design, and to also feature a photo of Harry T. Burn. His was the tie-breaking vote in the Tennessee legislature to make Tennessee the 39th state to ratify the 19th Amendment. Thus, without his vote, the amendment would have failed. Lorena Norris, Katie Madsen, and Meli Caulkins collaborated on the placement of the photos and other objects in the design. Lorena took those ideas and pieced the wall hanging top together. She helped Katie put it on the quilting frames with the backing and batting. Katie then hand quilted it. Lorena then finished the sides and made the rod pocket. We entered it to the National contest and titled it "The Last And The First." Thus

emphasizing Harry's monumental vote and our ancestors who were able to vote for the first time. We were thrilled to learn that **our entry won 2nd Place at the National level.**

## THE HOLT ADMINISTRATION: Thanks For The Memories

By Susan Harvey Holt, Vice President General, Utah Honorary State Regent

Becoming the Utah State Regent in June 2018 started an adventure which would present challenges, joyous celebrations, memorable chapter meetings/activities and demonstrate incredible support and encouragement by the Utah Daughters.

The State Society had been primed by previous administrations to take the next steps in membership, social media and community presence, expansion of chapters geographically and significant recognition by the National Society. Utah daughters have certainly risen to the occasion and we shine brilliantly!

The accomplishments of the Holt Administration could not have been accomplished without the leadership of the 2018-2020 State Executive Officers, Chapter Regents and State Committee Chairs. Thank you, ladies for your time, energy, gifts and talents. Most importantly, it has been the outstanding dedication and service by the Utah membership which has made our State Society strong and viable.

The Holt Administration is proud to have been a catalyst for the organization of two new Utah Chapters – **Spirit of America** (September 2019) and **Pony Express** (June 2020). The establishment of the State Application Team (SAT) has been instrumental in assisting our struggling chapters and as a result these chapters now have new enthusiastic members.

Planning for the future has been key for this Administration with the complete overhaul of the State bylaws; redefining the role of the Long Range Planning Committee; providing “scholarships” for new State Volunteer Genealogists; instituting electronic payment methods for State Conference; developing fundraising

methodologies for the State; expansion of the State Society's social media presence through public **FB pages; Twitter and Instagram** accounts and the publication of the **Monuments and Markers book**.

The State Society has had the privilege to recognize outstanding individuals throughout our State including but not limited to **Governor Gary Herbert, Representative Stephen Handy, Dr. Jackie Thompson, Marilyn Badger, William Love** as well as amazing students via DAR Good Citizens, American History essay winners and Outstanding American History Teacher.

State Regent's Project: Rededication Ceremony at Gold Mothers Memorial Wall

Finally, the **State Regent's Project** of replacing the five missing plaques at the **Gold Star Mothers Memorial Wall** has been completed as well as significant financial and material resources have been given to multiple school food pantries across the state.

Numerous accolades for our community work and service have been received on both the National and Southwestern Division levels for the following National Committees: **Membership, Commemorative Events; DAR Service**

**to Veterans; Service to America; American Heritage; American History; Conservation, PR and Media and Americanism** – simply to name a few.

And In 2019, our own **Lisa Hoyt** was named as a **National Finalist for Outstanding Junior**.

We have certainly had our challenges during this Administration with several major fundraising opportunities from National which included the **DAR Patriot tree**, cleaning of the **Utah plaques at the Washington Bell Tower at Valley Forge**, participating in the **Sustaining Supporter Challenge**, **DAR Museum Banner** for the **"A Piece of Her Mind"** quilt exhibit and finally the refurbishment of the **Utah State box and State seal** for the **President General's Project – The Next Act**.

In addition, we have had the extraordinary happen – the COVID 19 pandemic which caused the cancellation of the **2020 Utah State Conference** and Spring chapter meetings, earthquakes and the unsettling riots. Utah daughters have endured with grace, fortitude, generosity and perseverance.

**Ladies, you are truly remarkable! It has been an honor and a privilege to serve as the 2018-2020 Utah State Regent. The future is bright...excited to watch it unfold. Rise and Shine for America! and DAR**

**August Board of Management Meeting**

**Rise and Shine** for the **USSDAR Board of Management Meeting** which will be held on **August 29, 2020**. We will meet at the Salt Lake Government Complex which is located at 2001 South State Street. Our meeting will begin promptly at 9:00 am.

Those invited to attend are the Utah State Executive Board, Honorary State Regents, Chapter Regents and Chapter Directors. In addition to these members, we would also like to encourage all Utah Daughters to attend. Please mark your calendars.

## Constitution Week

September 17-23, 2020

- Teach the public about the historical events surrounding the establishment of the Constitution and the men who framed the document.
- Hold events, give programs, put up displays, and write articles to celebrate the 65th anniversary of the first resolution by the U.S. Congress to observe Constitution Week, the 233rd anniversary of the signing of the Constitution, and the 229th anniversary of the ratification of the first ten amendments known as the Bill of Rights.
- Teach all citizens, especially youth and newly naturalized citizens, about our founding documents. Inspire all in your community to protect and defend the Constitution.
- The Constitution is a living document that assures each citizen of the freedoms Americans cherish and appreciate. As members of the Daughters of the American Revolution, it is our responsibility to keep our ancestors' legacy alive by promoting the ideals they fought valiantly to give their descendants.
- Please report all your activities and accomplishments on the Chapter Master Report.

## DAR PROJECT PATRIOT

The Patriot Records Project index is available as part of the DAR Genealogy Research System. It is hoped this index will provide not only genealogists but also history students, researchers, scholars and teachers with a tool to assist in their study of the Revolutionary War period. The records span over 75 years, starting at the very beginning of the Revolutionary War through the last petitions for remuneration.

We invite you to help index Revolutionary War Era documents. For more information go to [www.DAR.org](http://www.DAR.org)

## The Flag of the United States of America Committee

Chapters may support these objectives by:

**NEW:** Purchase a flag flown at our headquarters building (Constitution Hall or Memorial Continental Hall) and official certificate in honor or memory of an individual, group or organization.

**DISTRIBUTE THE FLAG CODE LEAFLET** to schools or youth organizations, retirement homes and at patriotic events such as Memorial Day, Veterans Day, Flag Day and the Fourth of July.

**KNOW THE FLAG CODE** and share. The DAR publishes the leaflet, The Flag Code, which has excerpts from the official United States Flag Code and may be purchased from the DAR Store in the Office of Corresponding Secretary General.

**ALWAYS INCLUDE A "FLAG MOMENT"** at each chapter meeting. This information may be found on the committee webpage.

**PRESENT FLAG CERTIFICATES.** It is important that we continue to serve as role models in our community by recognizing individuals and groups that show correct usage of the United States Flag. Certificates may be presented to individuals/groups to show appreciation for their respectful usage of the Flag of the United States.

**PRESENT A BRAILLE FLAG** to a blind or sight-impaired veteran or community member. Ordering information may be found on the committee webpage.

**CELEBRATE FLAG DAY** on June 14th with your chapter or with your community.
